

## West

A topographic map of the study area, showing contour lines and sampling points. The map includes a legend in the bottom left corner indicating elevations of 206.4 m and 137.1 m. The map shows a series of contour lines with labels 400, 500, and 600. There are 15 blue dots representing sampling points distributed across the terrain.

## Wonderland Trail

## East

**Contours**

- Ten foot
- Fifty foot
- Hundred foot

362.4 m

193.5 m

The map shows a mountainous region with contour lines labeled 400, 500, 600, 700, 800, 900, and 1000. A red line connects several blue dots. A legend in the top right corner defines the contour line thicknesses: Ten foot (thin green), Fifty foot (medium green), and Hundred foot (thick green). A box in the bottom left corner shows a vertical profile with a peak of 362.4 m and a base of 193.5 m, with a blue shaded area representing the slope.
